Hey Bill...had no intention of placing them on county property just wanted to see how long it would take for someone to contact you guys, or someone, to report it. Not disappointed...thanks for the correspondence. And, contrary to what some might think us old sheriffs do have some common sense. And, thank you for the work you do.

Sheriff Brown -

Attached please find correspondence from ACLU of Virginia Executive Director Claire Guthrie Gastañaga regarding recent statements and news reports about placement of bumper stickers on sheriff's department vehicles. This is also being delivered via postal mail. Please let me know if you have questions or would like to discuss this matter.
